Docket No. 98N-1265

Food and Drug Administration '99 APR 12 18:46  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I want free access to available information  
and prescriptions that can be shipped  
across state lines - it is very important  
to my health and well being to have  
this - I have many health problems  
which can only be taken care of  
this way. Flores Brahm
